Note: Ospreys are protected under the Migratory Bird Treaty Act (MBTA). It is illegal to pursue, hunt, shoot, wound, kill, trap, capture, possess, or collect any migratory bird species, their nests or their eggs.

We treasure our visitors as much as our ospreys! For safety, when stopping to look at a nest, pull your vehicle to side of road, & turn on emergency flashers. Watch out for other vehicles when crossing the street. For Ospreys' sake, please slow down to avoid hitting the birds in flight.

COLONIAL BEACH OSPREY ADVENTURE

Discover more than 30 breeding pairs of ospreys who set up housekeeping in Colonial Beach to breed, hatch chicks, and teach the next generation of ospreys how to fly and fish. Traveling by bike or in a golf cart are fun ways to scout out their nests and enjoy the town's beautiful views, charming homes and colorful gardens. Drop in for a meal, snack, a cup of coffee, craft brew or glass of wine at one of these fine establishments along the way and check out our art galleries, shops and entertainment venues too!
